

COVIDSAFE - CONDITIONS OF ENTRY

All members and guests will be required to show their digital vaccination certificate or valid medical exemption, and sign in using the Service NSW QR code check in. You must then swipe your member card or valid photo ID at our sign in terminals including supplying a valid mobile phone number.

Please see here: [PROOF OF VACCINATION / MEDICAL EXEMPTION](#)

If you are unwell, particularly if you are experiencing cold or flu like symptoms, do not enter the premises. You may be asked questions regarding possible symptoms if you appear unwell when you present at the entry.

If you have been in close contact to someone with COVID-19, been in a designated COVID-19 hot spot or have been issued a stay-at-home order, do not enter the premises.

On entry, all patrons must sanitise their hands thoroughly. You must also wash and sanitise regularly throughout the duration of your visit.

Practise appropriate hygiene measures, including covering your mouth and nose with a flexed elbow or tissue when coughing or sneezing.

All patrons must practise social distancing, maintaining a minimum of 1.5 metres distance from each other (members of the same household are excluded).

All patrons must adhere to all entry/exit regulations, barriers and queue management which have been designed to assist with social distancing. Any patrons crowding in any area of the venue will be asked to disperse.

We request that patrons utilise cashless payments at our restaurants and bars where possible.

There is an increased cleaning regime, however if you would like a table, machine or bathroom facility cleaned and sanitised, please ask one of our friendly staff.

Each Blacktown Workers Club Group venue is subject to a venue-wide capacity, as well as other limits within each dining outlet and other areas. These numbers are subject to change at any time.

Management reserves the right to refuse entry or request the removal of any patron not complying with the above conditions of entry.
